CableOrganizer.com Now Offering a Free Leviton JackRapid™ Fluke Punchdown Tool as a Limited Time Special Offer

Industry-leading purveyor of cable, wire and equipment management solutions now offering Leviton's entire line of world-class telecom and electrical products

FORT LAUDERDALE, FL, September 18, 2007 – Award-winning CableOrganizer.com, among the world's leading purveyors of cable, wire and equipment management-related products for use in business and at home, today announced the launch of its Leviton JackRapid™ QuickPack® 6-Pack limited time special offer. Through the promotion, those who purchase a Leviton QuickPack® 6-Pack through December 31, 2007 will receive a JackRapid™ Fluke Punchdown tool completely free of charge.

The Leviton QuickPack® 6-Pack saves time and money by bundling a variety of connector types - GigaMax®, Cat5e, GigaMax, Cat5e+ and eXtreme 6+ - in groups of 25, each in reseal-able, tamper proof bags. The FREE JackRapid™ Fluke Punchdown tool allows users to terminate jacks eight times faster than traditional impact tools - with accuracy that's unmatched.

Leviton Manufacturing Company is North America's largest manufacturer of electrical and electronic devices, and its full line of voice and data telecom and electrical solutions are now available through CableOrganizer.com's industry leading online catalog located at <http://CableOrganizer.com>. Whether for commercial, residential or industrial applications, CableOrganizer.com has all Leviton® components required to complete electrical and datacom/telecom installations.

"CableOrganizer.com is proud to offer Leviton's entire line of telecom and electrical products, as this company is world-renowned for their quality and innovation," notes Paul Holstein, co-founder and COO of CableOrganizer.com. "Through our one-stop, easy-to-use online storefront, all of Leviton's voice and data products are conveniently at consumers' fingertips."
