CableOrganizer.com Adds 60 New Cable, Wire and Equipment Management Products to Online Catalog Flourishing Despite Economic Downturn

Inventory for industry leading eTailer of cable, wire and equipment management solutions for use in B2B and B2C computing, office, networking, automotive, industrial, residential, home theater, and government applications surges to over 25,000 SKUs

FORT LAUDERDALE, FL, February 2, 2008 – Industry leading eTailer CableOrganizer.com, among the world's foremost providers of cable, wire and equipment management-related products for use in business and at home, today announced that, in January 2009, it added fully 60 new products to its award-winning online catalog at <http://CableOrganizer.com> now boasting more than 25,000 inventory SKUs.

To help foster consumer interactivity, site stickiness and keyword rich content development in tandem with helping shoppers make more informed choices, the company also today announced that, through March 31st, 2009, for each and every online product review submitted the "poster" will be automatically entered to win a \$100.00 CableOrganizer.com gift certificate.
