## **CableOrganizer.com Now Offering Hundreds of Panduit Products to Meet All Electrical and Network Installation Needs**

*Industry-leading purveyor of cable, wire and equipment management solutions offering an extensive amount of Panduit component SKUs*

**FORT LAUDERDALE, FL, December 2, 2008** – Industry leading eTailer CableOrganizer.com, among the world's premier providers of cable, wire and equipment management-related products for use in business and at home, today announced that Panduit's comprehensive product line is now available from its award-winning online catalog located at <http://CableOrganizer.com>.

In its effort to best meet the ever growing needs of the electrical and networking industries, CableOrganizer.com now offers hundreds of Panduit-specific SKUs representing a wide cross-section of the manufacturer's most well-known product lines: cable ties, network communications jacks, faceplates, surface raceways and wire duct among them.

Since 1955, Panduit has been known as a global leader in communications and wiring products. Indeed, Panduit has become the name that electricians and network installers trust, and their raceways, wire duct, cable ties, faceplates and surface mount boxes have become the standard in datacom/telecom installations around the world. Their unbelievable growth can all be credited to this company's expertise at crafting electrical and network solutions that are both innovative and affordable.

The following are among the Panduit product lines CableOrganizer.com carries:

- Pan-Way® Surface Raceways
